

Education and Career Planning

For Psychiatry Residency and Fellowship Programs

The Behavioral Health Division of Universal Health Services, Inc. (UHS) is proud to introduce the Psychiatry Residency & Fellowship Education and Career Planning Program. This unique, complimentary program offers exclusive educational opportunities to residents and fellows by assisting them in navigating where business and medicine intertwine.

COMPLIMENTARY, CUSTOMIZED TRAINING

This exciting program brings training right to your location, tailored to your needs and at no cost. Some of the educational event delivery options include

- Morning and noon conference lectures
- Presentations coupled with didactic sessions
- Dinner presentations
- Career fairs
- And more ...

UHS will work with you to design and deliver an education event that meets the needs of your program in order to maximize the educational value for your residents and fellows.

For more information or to schedule an educational event, please contact:

EDUCATIONAL TOPICS

The objective of the Psychiatry Residency & Fellowship Education and Career Planning Program is to guide residents and fellows through the career planning process by providing instruction on key practice and recruitment related subjects.

Our educational topics include:

- **CV Writing & Formatting**
- **Contract Negotiation & Employment Models**
- **Interview Techniques: How to Land Your Dream Job**
- **Healthcare Employment Trends: What's Happening in the Job Market Today?**
- **Career Planning 101: Preparing for Your First Job**
- **Finances: Making Sense of Your Financial Future**

We also offer the supplemental topic of

- **The Onboarding Process at a Glance: What to Expect with Licensure and Credentialing**

CAREER PLANNING SERVICES

One-on-one and small group career planning sessions are available that provide assistance and direction with

- Job search opportunities
- Job search process
- Personalized CV review and advice

By introducing your residents and fellows to key concepts, and guiding them through the career planning process, UHS hopes to strengthen and enhance the preparedness of your program participants, and at no cost to you.

As the largest facility-based behavioral health provider in the country, the Behavioral Health Division of UHS is dedicated to the 460,000 plus individuals we serve each year. With more than 230 facilities in 37 states, Washington D.C., Puerto Rico, the U.S. Virgin Islands and the United Kingdom, we embrace our leadership role and recognize our responsibility to these individuals and their families.
